Monthly Moment with Carlo!

Blessed Carlo Acutis loved the Eucharist! Even though his parents were not really religious, he encouraged them to attend mass together as a family. He would also ask his mother to take him to Eucharistic Adoration. After making his first Communion, Carlo encouraged his family to consecrate or devote themselves to the Sacred Heart of Jesus, because even at a very early age, he understood that Jesus' Sacred Heart and the Eucharist were one and the same! One of Carlo's most famous quotes is, "The Eucharist is the highway to heaven." On the back of this newsletter is a coloring page for your family to color.

Our monthly prayer: *Please intercede for us, Blessed Carlo, that I might love our Eucharistic Lord more each day, just as you did. Amen.*
